

# 9th International Conference on Gas Hydrates

June 25 - 30, 2017 • Denver, Colorado USA

Dear Colleague,

We are delighted to invite you to attend the 9th International Conference on Gas Hydrates (ICGH9), which will take place in Denver, Colorado, USA from June 25 through June 30, 2017.

ICGH9 is part of a series of conferences held every three years since 1993:

1993 • New Paltz, USA	2008 • Vancouver, Canada
1996 • Toulouse, France	2011 • Edinburgh, UK
1999 • Salt Lake City, USA	2014 • Beijing, China
2002 • Yokohama, Japan	<b>2017 • Denver, USA</b>
2005 • Trondheim, Norway	

The aim of this conference is to bring together the entire Gas Hydrates community. This is a truly diverse community, including academic researchers, industrial scientists and engineers, government scientists and policy makers, and all are welcome. This will be an exciting conference that will provide the opportunity for participants to be able to meet others in the same/different hydrate areas, and exchange ideas, expertise and experience, and renew and form new friendships and working relations.

For more details, please visit the website: [ICGH9.csmospace.com](http://ICGH9.csmospace.com)

The website will be updated periodically with important information such as deadlines, procedures for abstract submission, registration, etc. The website will be the main source of information about the conference, with announcements also sent out via email.

We will be most grateful if you would forward this announcement to your colleagues and friends whom you believe might be interested in Gas Hydrates and attending this conference. You may also announce the conference on university or company bulletin boards or conference calendars/databases (e.g. by copying/pasting/linking to our website).

We look forward to seeing you in Denver in 2017!

With best wishes,

Carolyn Koh, Tim Collett, Dendy Sloan
